

Homebase — Quick Installation

Get set up in a few clicks · Family Management System

- 1 Click **homebase.zip** to download it, then open it.
- 2 Open the **homebase** folder.
- 3 Double-click the installer:
- 4 If Windows shows “**Windows protected your PC**,” click **More info**.

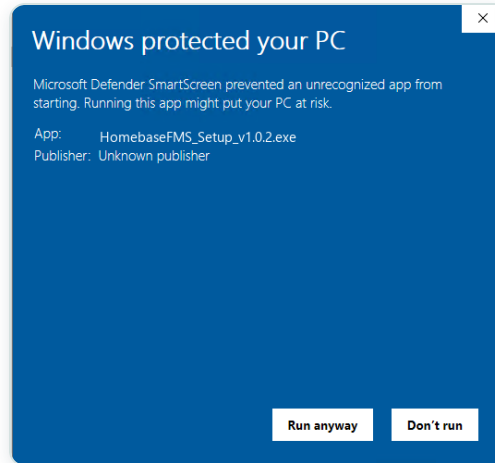

Windows SmartScreen — click “More info.”

Homebase — Quick Installation

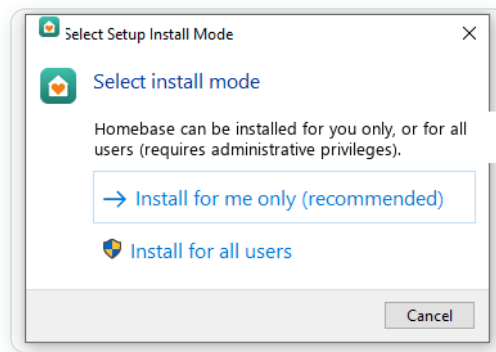

...continued

5 Click **Run anyway**.

After "More info," click "Run anyway."

6 Choose **Install for me only (recommended)**.

Select install mode — "Install for me only."

7 Then click **Next > Install > Finish!**

8 You'll be prompted to set up your **family** — and you're ready to go! 🏠

If you have any issues, please don't hesitate to email support@sevlotechnologies.com. Someone will reach out to assist you with the installation.
